“ I have so many memories with this sweet woman! I don't know where to begin but I do know she loved hard and loved her family bunches. She has been in my life for a very long time. I have spent many nights at her house with my best friend Robin/sister n law over the years. She def. Was a good woman to deal with me and Robin. She would shake her head at us many of times but she loved us know matter what we did. She will be missed but so glad she is healed now and will be watching over all of us..

“ Laura was my aunt but we were so close in age, she was more like an older sister. She lived with us when she was a teenager and has been a loving part of our lives. I will miss her and pray for all of her loved ones during this time of loss.
