“ Angie I am so sorry to hear of LC's passing. LC was a very good friend when we worked together at Steris. I wanted to go to the visitation tonight, but because of Covid, I want be able to attend. I hate not to go, but my wife has just been diagnosed with breast cancer and don't want anything to interfere with doctor appointments. You are in our prayers. May our Lord comfort you in your lost.

“ *All the Chandler folks are special to me. Junior was a super nice man and was always trying to figure out a way to help me. Had many laughs talking about his big brother William. Many prayers go out to Angie and his family. God Bless you all.*

“ *I'll never forget when he cracked his tooth when opening a mustard pack at my house. I think it was Michael's surprise birthday party when it happened. We all still had a great time. Will always miss and love this sweet man!*

Lawrence Chandler was a friend to me. He was an honorable man, fair, and always as good as his word. He was easy to respect and easy to love. With-out Lawrence our world will be poorer. He was a gentleman and a blessing to all. May God bless Angie and all his family.

I'm saddened to have heard of Lawrences passing. It has been many, many years since i've heard anything concerning Lawrence. He was a very conscientious young man, great work ethics (hard working). He'll be sorely missed. My heart felt sympathies to the family and prayers..
