“ While I havent seen Lee in a while he will always be my friend. I worked with him years ago at KMart. He was a great boss and was good with people. I will never forget the kindness he showed me not only as his employee, but as his friend. Rest In Peace Lee.

“ Lee, you have touched so many hearts in your nearly 72 years. We had a half century of adventure with no regrets. Our children are hurting, and trying to lessen my pain as well. Be off with you and do the work that God has called you to do. Love you forever, Linda

“ *This family will be in my thoughts and prayers. I grew up knowing Linda, and Lee. Attended church, youth group and other community events with them. When they married, I was their Maid of Honor. Over the years, I've kept track of their travels, but haven't seen them in years. I am saddened by the unexpected loss of Lee. May he rest high on that mountain, and be at peace.*
