“ *Lew was an outstanding ritualistic Mason and a very active member of the Scottish Rite. He could be counted upon in many roles and illustrated what a true Mason should be. His presence will be sorely missed as will be his smile and friendly manner. We will never forget Lew, and can only hope we emulate his life. Condolences to his family, and if we can be of any help, do not hesitate to contact us.*

“ I believe the first time we met Mr Jones was at Lew's 40th birthday party. He was such a good sport of our antics. You could tell how much he loved his family just by seeing the way he looked at them. You will be missed. But oh the Christmas you will have this year. You'll be in incredible company.
