January 20, 1938 - January 1, 2014

Our Daddy, Lewis A Ingram of Deatsville was met at the pearly gates of heaven by our Lord and Savior and his special guardian Angel, Martha Ann Ingram (wife of 31 years). His parents Mark Audrey and Vera Watson Ingram, and siblings Jeff Ingram, Ann McDonald Cooper and Ronald Ingram, and special buddies Dorman, Ed, Bud and Cowboy were also there to greet him, the first day of this New year, 2014, he celebrated life on this earth for 75 years in Elmore and Autauga County since his birth on January 20, 1938. We are still here Daddy so you can watch over us, Punkin (Bo) Evans and Carol Ann Armstrong (Charlie Hill). Susan Bice Hallman, Laura Thrasher Little and Mark and Michelle Ingram were just like your children too. We all hold you dear to our hearts and will treasure the memories. Your grandchildren; Bryant Evans, Maegan Armstrong, Drew (Destiny) Armstrong, BB (Magan Burton) Armstrong were so special to you, and great grandchildren; 4wk old Clay Armstrong, Anna, Andy and Aubree Armstrong, were the light of your life. You were a special brother to nine brother ; UE (Lisa), Little Audrey "Fett", David (Janice), Joe (Ann), James (Nell), Earl (Brenda), and Larry Wayne (Elizabeth) Ingram and one sister. And " Uncle Lewis" to more than just nieces and nephews, but many special friends and relatives.

Daddy worked hard all his life to provide for his family as owner of Ingram's Sand & Gravel. He always taught us to enjoy life and share our kindness with others. He would share with anyone that needed anything and instilled those values in us. Our memories are over whelming and we have been reminiscing

the past few days and enjoying all our memories with you, our lake memories and gravel pit are the favorite but we also had so many people stay at our house over the years and always had fun parties. You and Mama will live in our hearts forever!

We request that family and friends join us Saturday, January 4th at Mt Hebron West Baptist Church (our childhood church) in Elmore to celebrate your passing. Pallbearers will be Bryant Evans, Drew and BB Armstrong, Will Parker Little, Chris and Josh Ingram, and honorary pallbearers Mark Ingram and Craig Armstrong. Family visitation will be at 12:30, friends at 1:00 and the service at 2:00. Burial will follow at Mt Hebron cemetery, right beside the church. We would love for everyone to share your memories with us personally or online at [www. PrattvilleMemorial.com](http://www.PrattvilleMemorial.com). We are so thankful for all our family and friends and appreciate all the prayers that have gone up for us over the last several weeks.

“ I miss Uncle Lewis dearly and am sick that I cannot be there with Carol and Punkin today. I have thousands of memories of Uncle Lewis. He helped give us all a great childhood, all of us. He taught me to water ski, to drive a tractor, work in his shop, and live a full life in so many ways. Every February Mom and Dad would ask, "where do you want to go on vacation" and I would say the "cabins at Lake Martin". We had to book them in February so we could be by Uncle Lewis and Aunt Martha and Charles and Nancy Wood. We all booked cabins at the point with the pier and were on the water for the July 4th fireworks. We spent two weeks of lake living at Kowaliga every year - boating, swimming and bbq chicken in Nancy's white sauce. Daddy and I hunted deer in Shorter with Uncle Lewis and rabbit hunted everywhere with him. I particularly remember his little beagle dog named Shmoo he thought the world of. At daddy's house we were at the curve so you would always notice who was coming down the little road out front. My memory of Uncle Lewis the most was hearing his truck coming down from his house, he would roll the window down and say "tighten up Pop" with a big laugh. (He would have his hand out the window like he was turning a bolt.) To me that always meant get at it and don't waste your time here on earth. My prayers are with my family today. I love you all, Kenny Ingram

Lewis was my cousin whom I had never known until several years ago and Ann and I would always go see him when I got to come down there. He was a special person who always made me feel welcome at his home. I am so glad that I got to meet him and all my other family members. My thoughts and prayers go out to his family.

“ I have so many memories of Uncle Lewis and loved every one of them. I remember him sitting me in his lap and letting me drive that big white car they had. Always enjoyed going to their house and playing with the goats and riding 4wheelers. He and Aunt Martha was always so good to us. Also memories of being over there during Thanksgiving and eating all the great food after the men in the family came back from hunting. He was dearly loved and will truly be missed.

“ I will always remember Uncle Lewis . As a young girl , that was my favorite place to go. Wether it was playing with the goats or the dogs or going to VBS . We spent so many nights with him and Aunt Martha. Uncle Lewis was always good for a laugh. He loved that dog of his and I will always cherish the memories we had with Aunt Martha and Uncle Lewis. It makes me feel good to know they are together once again. Much love love goes out to you both! You will be missed and always loved by those of us you touched by being you ... My Uncle Lewis.
