“ Linda, you were such a tremendous help during my fight last year with breast cancer. I wanted to tell you so much that I received the news today that, after my mammogram on Tuesday, I am in full remission. I will keep fighting the good fight in your memory, and when I walk in the Relay For Life this year, I will light a candle in your memory. I miss you <3

“ Linda and I grew up together in Cardiff, NY. We attended church and youth group together. I had no brothers or sisters, and she had only brothers, so she was like my big sister. I had the honor of being her Maid of Honor at she and Lees' wedding. We both went on with our lives, but after about 42 years met for breakfast in February of 2020. I'm so glad we did that. She was always a sweet lady and a good friend. She fought a tough battle and now is at rest in the arms of Jesus.
