“ Recently I’ve been really thinking about Lindsey and praying for her. One of my favorite memories with her is the 2 weeks she trained me at the coffee shop and she introduced the cockroaches (which they definitely don’t have of course) as coffee beans with legs. She was just always so positive and fun to be around, and she is so missed. I bought yellow flowers in her memory the other day and the cashier smiled at me and told me “These will cheer someone right up.” I thought that was really beautiful. Always praying for her and your family.

“ *I remember when I hired Lindsey at Scooter's. She came in with such a great attitude, was amazing at her job, and just would be so fun to joke around with. She loved her family and spoke of you all often, especially her sisters! She loved Jacob as well, and told me all about their love story. She was an amazing young lady through and through! My prayers go out to her entire family in this time of grief. May God bless all of you with the comfort of knowing Lindsey is now at his side.*
