“ *Jim and I were part of Del and Lola's military family and we were lucky to have shared fun and beautiful memories with them over the years.*

It seems like in a military family when you think of Del you think of Lola and when you think of Lola you think of Del and that's how it's always been for us. True friends, now joined forever in their love, will be truly missed by us and so many others. Our condolences to Gretchen and her family. Love to all.
