“ A few years back we did a group called the Timothy Project. We started with about 14 people and a pastor. It ended up (Todd) me, Larry Smith and Lonnie Brand. We always finish what we start! I came to visit him a couple times before I took a job as a pastor out of state. We even went to walk to Emmaus Around the sametime. I will continue to do what God has called because of men like lonnie! See you on the other side Brother!

“ *Lonnie always had a huge smile,a joke to add to any conversation,and so much more depth in God than showed until you knew him . I will sure look for him in heaven!  
May God's comfort and peace be with Darlene and family,and the joy of knowing that we do not sorrow as those who have no hope of eternal life.*
