“ *Janie, Lori, Lois and family,
Aunt Loretta will surely be missed by all who have known her over the many years of her life. She was so sweet to all of us nieces and nephews and we have such fun memories of the times spent together at your house in NJ years ago! I loved having Aunt Loretta and Uncle Bill as my godparents, it wasn't that they treated me any different but more like there was something special there. My sincere condolence to all of you and want you to know my thoughts are with you.*
