“ *I remember Luke's wry sense of humor. I loved him so much! I remember once, when I was about 4 or 5 years old, we lived in Huntsville. Luke came to visit, and as he didn't have a car, I asked him how he got there. Luke said, "I thumbed my way here." I didn't know what that was, so I asked him. He grinned that grin of his and said, "I hopped on my thumb all the way from Talladega." Well, since Luke said it, I just knew that was the truth!*
