“*Fay, I am so sorry to just now learn of Cantu's passing. I think of you two often, remember seeing you about in town, always smiling and friendly. May the Lord bless you and your family.*

“*We are praying for you. Cantu is the lucky one---he has already made that journey we all must make. I know you have had a hard time recently but you two had so many wonderful years together. Focus on the many, many good times you've had----those memories will always be with you. We so enjoyed bumping into ya'll in Prattville - usually at Walmart. You had such fun together and made everyone happier by just being around you! Please keep in touch with us.*

*With love to all,

“*Fay and Laurie, we are praying for you during this time of sadness. I know you will miss Cantu so much but you will be reunited with him again in heaven. He is in a better place with no pain, no sorrow, and no worries and he awaits for you. Wayne and I pray that Jesus will heal your hearts and comfort you with peace and understanding. I have probably known Cantu for close to 40 years and he always made me laugh and smile as he did to most everyone around him. I think that was his purpose in life - to bring joy to others. We loved being around him and we will miss him very much. May our Lord Jesus bless you both!!*

“*I remember Mr. Cantu as one of the sweetest patients I have known. He always had a smile and a joke when he came in. May God be with his family during this time of sorrow. I'll miss you Mr. Cantu.*
