“ Sincere condolences from the members of the Women Marines Association. “If the Army and the Navy ever looked on Heaven’s Scenes, they will find the streets are guarded by United States Marines.” (3rd stanza of the Marines Hymn). Take comfort in knowing your beloved Marine has left this life to take up her rightful place in Heaven’s detachment.

“ I was told of Margaret's passing today. I worked with her at the Revenue Dept. I was also one of the secretaries there. Margaret was such a unique person. She was so full of knowledge and was well traveled and well versed. It was so interesting to listen to her tell her stories and memories of her life. I know she loved to read and work crossword puzzles and travel while she was still able to. She spoke lovingly about her family. She is someone I will truly miss. I was looking forward to start visiting with her and having lunch with her after I finished my move into my new house. I would like to extend my sincere sympathies to her family. It is so sad to receive this news.
