“ Ralph, I am so sorry. Such fond memories of our time in Germany! That is how I picture all of you still. Even though our paths crossed again in Prattville while we were there, Germany is what comes to mind when I think of you guys. Margie was a wonderful person and I know she was your world. I will keep you all in my prayers!

“ *I met Margie in 1987 when we moved here from Minnesota/Oklahoma. She accepted this Yankee girl with my accent & all and showed me what it was like to be a southerner and military wife!! She was an amazing cook, could sew clothes (she made Ralph's underwear!!) sew curtains, make crafts, etc. plus be an amazing wife and mom!! She was Wonder Woman!! She was always there for me no matter what time of day or night or situation and never judged, just loved and listened. Her attitude and outlook on life was always so positive and to always be real and true to yourself...you never had to wonder what she was thinking because she told you!! She loved her husband, her children & grandkids fiercely and was so proud of them all...her family was her world! I am so blessed to have had her in my life and to have been able to called her my sweet friend....I will miss her terribly but know someday I will see her again!!*

“ *Mississippi was where we met, we became instant friends. Our family became the best of friends too! We enjoyed making things together and our families were the center of our lives. Margie was a great friend to have by your side. She stood by me and supported me when I needed her most. I am so thankful to have been so fortunate to call her my friend. You will be missed my friend!* ”
