“ Pollyou was like a second moma to me in high school and I worked with her for a few years. She was always a wonderful person. She would always tell me to go put on lipstick when I was upset. I have very fond memories of time spent with your family. Prayers for comfort and peace at this time of sorrow.

“ I worked with Polly for many years at Gurney. She was always nice to me and gave me some good advice once. After she and I left there I would see her around town quite often. Polly was a great person and she will be missed.
