“ *Mark and I went to school together we shared lot's of good times he was a great guy that would do anything in the world to help you if you needed help. He lived just a couple house's down from me and we would talk from time to time about the crazy and fun times we had in school. We also worked together at Revco warehouse for several years after high school what a blast that was. I will never forget him a truly great person and great friend was taken to soon R.I.P my friend*

Ive known Mark most of my teenage years and all of my adult life. We shared so many times together, I think the most important time we shared together is the day he, my husband David and I were all baptized. We always joked that it didn't take because it was on April 1st. We've had a lot of fun and made a lot of memories over the years and I'm so happy to have them.

Mark was a very sweet and fun loving person. I met him through his sister Susie. It broke my heart when I found out he died. He will be missed.
