“ Joy I'm so sorry to hear about this!! You and your family will be in my prayers. I have great memories of Gary coming over to your house playing with Bryan. They would ride go carts and hang with Mark. He was a good man and I know he will be missed. Haven't seen y'all in forever. But you both always made me feel welcome in your home. I pray the lord will comfort you and help you through this difficult time.

“ Mark was a pleasure to work with and talk to. He had knowledge and experience to share and keep you safe. I have so many joyful memories of the two of us laughing and enjoying life. He is missed, but will live on in memories. Love ya, brother.
