“ Dearest Charles,

*Ann's always smiling face will stay with me for the rest of my life. The both of you helped us to adjust to life in Prattville after we arrived here in the aftermath of Katrina. Ann was the first person to welcome me to St. Joseph and then she pulled me into helping her in the Gift Shop and I will never forget the Halloween the both of you showed up at the house in costume... Ann made a very convincing California Raisin! Always giving, always making me laugh, she will always be in our hearts...*

“ We will never forget the first two smiling faces at St. Joseph who welcomed us into this wonderful faith family. It was you and Anne. You happened to see us looking around the church as you were leaving and turned around and came back to greet us. It meant so much to us, as you both have for so many years. We will keep you and your family in our prayers.

“ Charles, we will miss Ann. She was like a second mom to me. I feel very lucky that I was able to be friends with her. She and I were so close. You and your family will be in our prayers and if there is anything we can do for you please do not hesitate to call. I will be seeing you on Wed.

“ Charles and family,  
  
Chuck and I have you in our prayers as you go thru this time of sorrow. The little time we had together at St. Joseph was precious. She was a fun loving, kindhearted woman.
