“ *Earl Nelson was only a youngster, maybe 8 yrs old, when I first met him in 1975 but he was quite memorable even then for his good manners and hospitality! I have known him for 42 years now and he has never been any different! My husband Mike Chavers and I have been treated with nothing but kindness by Earl and his family and he even slept on the couch and gave us his bed many times when we needed to stay overnight! My thoughts of Earl are so good and I know he will be missed by his Dad and brothers and friends but to know he is in Heaven with Jesus and his Mom and has a healthy body makes me happy for him.*
