“ I didn't know Glenn, but feel I knew him through his brother and sister-in-law, Ralph and Sue. I just wanted to send my sincere sympathy for the entire family, and let you know that I am thinking of you and praying for your whole family at this time. If he was anything like Ralph, I am sure he will be missed. He and Sue have encouraged and helped me and many others here and are a joy to be around and I love them dearly. Sorry I cannot be there. May the family find joy in sharing wonderful family memories and knowing that he is whole now and in a better place.
