“ I was a friend and coworker of Max at Patterson State Technical College. What I remember most was thinking how lucky he was to retire and find a job doing what he loved to do in his free time....fishing! How lucky can a guy get???? And, from all the comments I have read from those who knew him in his BASS days, he must have been real good at it...and was deeply loved and appreciated for his contribution to the sport! I know he will be missed by all of his friends and family...and my prayers are with you all! God Bless you! Candy Smith

“ *Max always met everyone with a smile. I looked forward to seeing him at registration and at the weigh-ins at the Bassmaster Opens and Women's Bassmaster events. Those parts of a tournament can be stressful and intimidating. Max helped ease our nerves. I sure miss him. My husband and I will keep your family in our prayers. -- christie bradley*
