“ Dear Ms. Linda, I am so sorry to hear of the passing of your daughter. My daughter recently went to be with Jesus. I did not hear of the events until last night at our greif recovery at First United Methodist Church and I would like to invite all of you to come when your ready. I didn't know your daughter but I worked with you at Jess Jordan and when ever I see you, you always ask about my friend Rhonda Headly who worked there also. I wish I could tell you and your family something to make it seem better, but I am still searching myself. The prayers and love of others is the true gift and being with the children will keep you going. Again, we are all very sorry for your families loss and we will be praying for you all.
