“ I find it difficult during this moment of grief expressing my memories of Mr. Cox, but I am strengthened by countless fun memories, numerous expressions by a loving spirit, and the many acts of kindness that he showed toward me, my family, and many others. I will forever be appreciative of Mr. Cox’s genuine support of me and my family during very difficult times. I had the honor and privilege of working under his leadership. He led by conviction, loyalty, and high expectation; yet demonstrated great compassion and flexibility in supporting his employees. Mr. Cox was instrumental in advancing my professional opportunities within the Department of Pupil Transportation, a career that span more than 40 years. His sense of humor and ability to relate to all people will be dearly missed by all at Montgomery Public Schools who had the good fortune of working with him. Although I have a very heavy heart because of his early earthly departure, I find peace and reassurance knowing that Mr. Cox found everlasting salvation and is indeed in the arresting arms of our Lord. My condolences and prayers are bestowed upon his very loving family and many friends during this time of bereavement.

“ Mike was Super funny and very genuine. 3 years ago, I accompanied about 200 students to Selma for the Bridge Crossing Celebration. In addition to my 200, MPS had several schools with hundreds of kids on MPS buses. Mike as always was on the scene making sure that MPS was organized and structured. The buses let us off and pick us up like clock work. It was extremely cold so this was really a welcoming pleasure. He had a way to calm you even when you were about to explode. He would crack a joke and you would laugh so hard until you would forget why you were mad. To the family, I pray that the memories you have of him comfort you at this time. May God bless you all.

“ It is with deepest sympathy that I share a memory of my friend and brother, Mike. One who always showed Love for Terri and the Family. I don't think that there was a time that he didn't mention or say something about "The Good Lord". These were his words. Above All, He was truly a Child of God. I am missing his smile, his humor and his straight forwardness. As I mourn the loss of a True Friend, I remember that the Lord will not put more on Us than We can bear and He Will be with Us Always , even until the End. I will continue to Pray for Strength and Healing of the Family. Again, with Deepest Sympathy, Robert Porterfield and Family

“ Last time I saw Mike, , he and I were talking about bus stuff. We got to talking about family and how he knew my family, from back in the day. He shared with me things I didn't know about my dad who passed when I was 20. From that conversation I learned a lot about Mike and how he loved his family. He shared with me about how his family played cards and how they delt in his father after he died and how that tradition would continue. I am certain that Mr. Cox had a full house when he passed and that now he is in the house of the Lord playing cards with his "daddy". He was a fine man and will be missed by all that knew him.

“ "Mike Cox" as he was often called was a man never short for words. He always had a story to tell that would fit the topic of conversation. He always looked out for the students who boarded buses each morning and afternoon and on field trips. “ Mike had a unique sense of humor and would find a way to take the edge off any situation, regardless of the severity of the circumstance... He would often remind me that "you can catch more flies with honey than with vinegar". He was always willing to assist with any assignment. Mike was genuinely concern about the needs and concerns of the employees under his leadership. He was proud of the many recognitions the Department of Transportation received during his tenure. The MPS family at-large and the multitude of pupils that depended on the successful transport of one of the largest school bus fleets in Alabama, will forever miss Michael B. Cox. In his honor and memory, I offer my condolences and prayers to his family and friends during this very difficult time.
