“ How do you pick "a memory" of such a precious soul? So, I'll post a block of memories...High Hope!

Such a magical place where Mikey and Nathan first met. Our boys may not have "talked" but anyone could tell they connected, became best buds, just my the pure joy on their faces. Our boys really enjoyed being together. Even after they grew older and circumstances separated us, we kinda kept up with each other through friends and Facebook. Nathan still remembers Mikey and when told about his passing, Nathan said "with Dear Jesus?" Yes. Nate got quite then the biggest, sweetest smile came over his face and he said "Play with Naasun!" Yes honey. He played with you." Those beautiful happy faces are forever etched in my mind. ❤️

I am sending all my love and prayers.
