“ Though I did not personally know Mr. Nichols, I want to express my deepest sympathy to his family. No doubt the loss of such a dear loved one will be felt by many. Long ago the faithful man job asked if an able-bodied man died could he live again. The comforting answer is yes. Our God the Creator yearns to bring back to life those who have died. (Job 14:13-15) May this and other promises recorded in God's Word the Bible continue to carry your family in this critical time.

“ Regina, my Heart cries so much for you. I am
so sorry. Mike will always be in my thoughts
and Heart. He was always an Angle to me. I
still see him as a little boy coming over to our
home. Mom loved him so much too. I know he
is up above smiling and looking down on you. God, please wrap
your precious arms around Regina and her family during this difficult
time.

“ Mike I woke up this morning and it hit me that you have really gone home to be with our Heavenly Father. My heart aches so. I will miss you more then words can express. You have and always will like a second son to me. Sweet sweet angel I find peace in knowing one day we will walk the streets of gold together. Rest sweetly in the loving arms of our Heavenly father. I love you Mike and will hold you close to my heart. Sandy VanCLEve.
