“ Mike is and will always be a great friend . Mike is a Godly man and I know without a doubt Mike is in Paradise now smiling at all of us. Mike and I where friends for over fifty years.

I say all this in humor and fond memories of Mike. He always had a gift of making our parents think he was a angel. My mother always loved Mike she didn't know he contributed to my juvenile delinquency (smile grin). To my lifelong friend I will always remember you and all the great great memories I have of you. I truly am looking forward to seeing you again. I know by our Gods Grace and Mercy I will hug your neck again someday. Please say hello to my mother and tell her the truth . Love you my old friend.

“ Thoughts and prayers for you all as you go through this difficult time. Mike and I worked in the same office the past few years and networked a number of years prior to that. He managed to hold his own being the only guy in the office the last year or so. We have memories of him telling lunch time stories about the weekend Bama game and previous night's Atlanta Braves ballgame. He enjoyed sharing stories about his family, especially his grandchildren, and about his church. During hunting season he would tell us about his most recent rendezvous with Bambi. His presence has been missed these last few months as will be the case going forward. Praying God's blessings of peace and comfort.
