*Millie, you will be missed so much by your family and closest friends. I am so sorry that our friendship didn't continue when I moved back from south Florida. I met Millie when she was about 13 years of age and I was about 15 yrs old.*

*Her mom got to know me fairly well and she trusted me, and I never violated her mom's trust... When Millie turned 16 years old; all of use young kids got together and gave her a party when she live on 31 hwy near konn's place. When her mom left that even, she told me to take care of her daughter! I told I would as I had for the past years or so; well it turned out to be right the opposite,... she was there to take care of me. A friend had stopped by and she wanted to be with me and I kept telling her no, go away, well the girl jumped on my back and she started swinging with her free hand and her sister jumped on me to,... I tell ya what,... that little 95lb Millie tuned in to a massive little firecracker I'm telling you; needles to say, I will never forget all the time we spent together years ago... she is my litte sweetheart, and I will love her for ever!*

*Bennie, you landed the biggest fish in our little group from back in the day!*

*May God blessing this beautiful family and give them peace at this most needed time.*

*Millie you are missed already!*

*Good by, my sweet sister, until we meet again!!! *
