“ I don't understand why God took you
I guess I never will
The day I got the phone call
My whole world stood still
You were one of my biggest supporters
You always cheered me on
You never failed to make me feel like I was beautiful and strong
You were my Aunt, my second mom, my best friend
It's going to take some time for this hole in my heart to mend
I'll always cherish the memories
Even though sometimes they'll make me sad
I can always look back & reflect on all the times we had.
Some of my best memories include you, and I guess that why it's so
hard for me to still accept that this is really true.
I love you so much Sissy, and that will never change, and I miss you
so much more than any amount of words can ever portray.
Rest easy up there in Heaven, tell everyone Hello, enjoy those
gracious walks down the beautiful streets of gold. I know now that
you're up there I'll never be alone, I have another Guardian Angel to
watch over me until my time to come home.
- Love your T-Top
