“ My condolences to Murry Roger's family. He was a great friend when I transferred to Brundidge Elementary School in the 6th grade. This was at a time when I needed a friend. Also, when I went to Montgomery to college Murry and his family had already moved there and again, at a time of transition, they were there for me as a 2nd family. Claire and I will be remembering the family in our prayers at this time of your loss.

“ As a very young man, I began a career with Delta at Dannelly Field in Montgomery. Murray was a pleasure to work with and always offered help and guidance to someone learning the ropes. He was always good for a smile and a laugh. Prayers for the family for peace and comfort in the coming days.
