“ *Ashley we are praying for you and those babies. Nothing we can say can take the pain away but know that you are loved by many and the love you shared with Nate was obvious to everyone who knows you. Love, The Hamby Family*

I will miss seeing him come into Sheila's on Monday night buffet . He changed you in so many good ways from your last marriage live through that and carry it with you along the way. Be strong but know he is at peace and in a much better place then here on earth . When my dad died I didn't understand and was once told that god takes the good ones and leaves those that still have work and need work
