

Nina Lou Luke

January 17, 1927 - March 29, 2024

Nina Lou Luke went to be with her Lord and Savior on Friday, March 29, 2024 at the age of 97. She was born in Arkansas but spent a few years as a child in New Mexico where her dad was employed as an Indian Agent. As a teen she lived in Carthage, Mississippi where she met the love of her life. She spent the next 63 years married to Royce Luke. Some of their happiest times were spent with family on the Tombigbee River, RVing and riding motorcycles. They even took a motorcycle trip at the age of 50 from Alabama to Louisiana and back!

For many years, Nina Lou lovingly made hundreds of quilts that she would bestow on her friends and family. On her 90th birthday, her daughters presented her with an album with photographs of a few of the quilts she had made through the years along with some of the recipients. It was a very special day.

Nina Lou was a member of Elmore United Methodist Church for many years and made some very special friends. Among those were Mary Frances Till and her daughters, Judy and Margaret. Until the death of Mrs. Till, she and Mrs. Frances would get together to watch the Alabama football games. She later preferred to watch the games alone so she could yell as loud as she wanted!

Nina Lou was preceded in death by her husband, Royce Luke; and her daughter and son-in-law, Cindy and Bill Irvin. She is survived by her daughters, Susanne Madden (Dan), Karen Golson (David), Leisa Larkin; and

many grandchildren, great-grandchildren, and even great-great-grandchildren.
The family will be having a private memorial service at a later date.
