“ I have work with Nina about nine years and she was a pleasure to work with. She was always smiling and caring for and about others. God saw that Nina work here on earth was finish and he gave her wings to fly away. I will miss her dearly, but I will always remember her smiling and making other smile. I pray that God will bless and comfort Nina family doing this time of sorrow.

“ I have work many years with Nina with the Alabama Department of Agriculture & Industries. She was a person that was genuine and kind to the core. You could see her innermost soul through her magical smile. It is a wonderful gift to have had the pleasure of being associated with such a warm and gentle person. She will be missed by everyone here.

My thoughts and prayers are with all of her family.

“ Having worked with Nina for 19 years, I will always remember her sweet smile and positive attitude. She never complained but was always concerned about everyone else. A more giving person would be hard to find than Nina. There is such an empty place in our hearts as well as our daily workplace but we know heaven is now a sweeter place because of her presence. My thoughts and prayers are with the many people she cherished during her life. May God give you the comfort only He can give.

“ I have worked beside Nina in the same office for almost a year now. What a joy and a privilege it has been to have worked with such a pleasant and beautiful person. She cared about everyone and showed it. She always had a smile on her face and a kind word for all that entered the office. She was truly well loved and respected by her friends here at AGI. She will be sorely missed! Heaven gained an angel and I am thankful our paths crossed if for only a short while. We will see each other again one day, my friend! My prayers and sympathy are with Nina's family and many friends during this time of such great loss.

“ Nina was such a sweet and joyful person. Very fun to be around. I did not get the chance to know her very long, but the time I did was meaningful and memorable. She always asked about my newborn daughter, and she told me to "enjoy every bit of it because they grow up so fast. Continue loving that baby girl," she would say. And I sure will Ms. Nina. My prayers and condolence goes out to the bereavement family.

“ *Dear Family,*

I didn't work in the office with Nina, but knew her through "state" meetings we both attended. She was a dear soul, and always remembered me, and asked about my son and work. Nina was a thoughtful, caring conscientious lady - a real gem. May your happy memories help to comfort you during this most difficult of times. God bless you all. Lisa

“ *I used to work with Nina, but hadn't seen her in quite some time. I have never forgotten her, though. She was a beautiful person, inside and out. Every time I saw her at work, she asked about me and my family, and was genuinely concerned. She was so thoughtful, and was a dedicated worker. I know she will be missed.*

“ Nina was such an amazingly kind and special woman. She would always want to know what was going on in everyone's lives and always had something inspirational to say. She took care of everyone, and if anyone ever needed anything, she would never hesitate to be there. When something like this happens, there are so many generic things one could say, but Nina... she was someone special. We will miss you, "Dear heart".

“ Working for and with the government is often a challenge. Nina was always there to help , with a smile in her voice, ready to help me out in any way that she could. She was so good at adding her own special personal touch to our conversations, talking about cats, kids and so many of life's little pleasures. She was a dear and precious soul and I will truly miss her.
