“ Nola was a one of a kind person. She was a brilliant individual and just a force of nature. She was my neighbor for years, my friend for a lifetime.

“ Mrs. Nola blessed many with her generous servant's heart and warm hugging smile. She was a Holy Spirit angel of comfort and mercy to our family when God took our Baby Girl Andie Home in the Fall of 2021. Her "just checking on you" phone calls and kind kitchen craft gifts with her reassuring visits were human touch healing. Mrs. Nola was a Christian kind and loving good gene keeper. We will see her again One Day. Please take comfort knowing that Truth. Prayers for your dear family! Your Rolling Hills neighbors, The Cotter/Crossno/Vecsey family

“ *Mrs. Ponds was an angel disguised as a motorcycle mama. She was like a second mom to a special group of boys back in those dirt bike days. Their house was the place to be down in the workshop working on their bikes. She was always there with a hug, corny jokes, and stories of her and Mr Ponds days of travel in the van. She always had a smile on her face. Those "dirt bike boys" are her honorary pallbearers. She was loved by so many people and will missed so dearly. Now she in heaven with the love of her life Roland. Thank you Mrs Ponds for all the laughs, tears and good times. We love you dearly.*
