“ *I have many great memories of Nora, Rosie, Liz, and I in high school. We went everywhere together and had a very special friendship as only childhood friends can. I will cherish those memories forever.*

I'm so saddened by Nora's passing. We were inseparable through grade school and high school. Our lives took separate paths and we only saw each other a few times in the passing years, but she was forever in my heart and I hope I was in hers as well. So many wonderful memories. Rest in piece dear friend. My deepest sympathy to Jerrie and Vicky. You were blessed to have this beautiful woman as your mother
