“ *Mr. Thames is in the best possible place to be, in God's memory. Hopefully, we who never got to know him personally will see him in the New Paradise Earth soon to come (Acts 24:15). My sincerest sympathy to you.*

“ *It was a pleasure having Norman as a friend and fellow worker. He was pleasant to be around and a hard worker. We shared photography discussions often and he loved showing pictures of his family and nature. He gave me an awesome picture of a landing pidgeon when I left CAP which I have in my study and it reminds me of Norman whenever I see it. I'll miss him!*

“ Please accept my sincerest sympathy on the passing of Norman. I feel privileged to have known him during his time working at Civil Air Patrol National Headquarters. Each of us in the CAP family are saddened by his passing, and our thoughts and prayers are with the entire Thames family during this very difficult time.

Very Respectfully,

“ I am so sorry for your loss. Norm was like a father figure to me here at work. I worked with him in the IT Department. I sat right outside the door to his office. We used to chat back and forth all the time through out the day. I missed him a lot after he left here. My thoughts and prayers go out to you. I am so sorry for your loss.
