“ A Sweet lady that I always enjoyed talking to. I think she enjoyed the Coroner's Office as much as I do-Would look up in Buster's truck and there was sitting, smiling, looking around at everything going on. I tried several times to get her to help us. She would smile and say yawl know what you are doing-Gonna miss You!! & i will try to take care of Buster for Sweet You. Whit

*Pamela was one of the nicest and living person I have ever met. She had suffered for a long time. Now in the arms of Jesus. Praying for Buster and the whole family. Even if we don't understand why God has everything under control. Just trust in him. Good bless and my prayers are with the Barber family.*
