“ Pam was definitely one of a kind. I didn't think there was anybody else who loved the beach more than myself, but she did. Even though Pam & I only worked together for several years, our paths crossed many times before in previous yrs. She was the strongest person I know. I told her every chance I got that my wish was to be just a 1/4 strong as she was. It's hard to keep a good/strong woman down. So until we meet again, rest in peace my Bama lovin, beach bum, strong willed, fighter, weenie dog lovin friend. You will be missed. "Blessed are those who mourn, for they shall be comforted..." “ All I can say is WOW...someone we knew years ago as my manager and friend at Countrys BBQ. The best one in the business to get along with. Our hearts are BROKEN for her family, most of all her son, which we didn't know, but can't imagine him not having his mother. Prayers will continue for this family. Words can't express our sympathy for this family. Pam was a remarkable person, never got mad at work, always took things with a grain of salt and said "we'll figure it out". By the end of the shift, everyone was ok and it was figured out and she jumped in and worked as hard as all of us. Once again, prayers for the family during this sorrowful time.

“ *Life is such a mystery...Life is has a plan...Life is always in God's hands. We know not the day He will reach and take us away...He taught us to love and have memories for these dreaded days. I count my blessings each and every day and today I pray and know He will be with each of us as we celebrate...Celebrate Pam's entrance into the beautiful place God has promised us when it comes to be our day.*

My heart feels empty that she had to go...She fought a battle that showed her strength and love. Thank You, Heavenly Father for sharing this sweet soul in our lives and thank you again for relieving her of her dreadful disease. I am sure she has everyone smiling that met her when she entered in.

I love you my sweet child and will forever and a day and God has given us yet another angel to watch over us each day.

“ Twenty seven years ago My Son Jim Stahl Allen was called "A Smuff Baby" by Pam at the Waffle House. She would sit in the office while I closed out a shift and feed him chocolate pie. Twenty five years went by and by God's Grace she came back in to my life. What a Blessing. She got out of her car with her Son Mason Swindall and said "Look Miss June doesn't he look just like ME." That SMILE HAD NEVER CHANGED FROM SO LONG AGO. Such a Precious Spirit. Rusty & Mason, the Door is always open. Love to You Both. June Sims Pensacola, FL.

“ I will always remember the smile on her face. Pam has been an inspiration to me. Showing such great strength and wisdom as she walked this path God had planned for her. I shatter when I think of all the things we will all miss out on, things we should've still had time to do. I know she's in a better place and we will all get to see her again one day.

Mason was her world and her greatest gift to us all. Let's make her proud.

Aunt Pam, I will miss you and your beautiful smile everyday for the rest of my life. I love you!!!???????

Our thoughts and prayers are with you all as you go through this
difficult time. Mason began his schooling in Kindergarten with me and
his mom's love was so very evident in all that she did and said. She
taught him well and know, Mason, you will have her watching from
Heaven's viewpoint. God bless you.
