“ Paul always had a smile that would light up the room or wherever he was. I remember he always wanted firecrackers to lite not all at once but one by one lol. I miss the times when we were younger and got together when y'all came to Aunt Ella Maes and JB's. There will be hard times but also good times that you will for no reason think of Paul I love y'all

“ *When I heard this bad news the memories flooded back. Then I got here and saw his picture and that smile brought tears to my eyes. I have not seen or heard from my school mate for over 40 years but he left a lasting impression on me. I feel so sad that we lost touch because he sounds like a great man. My thoughts and prayers to his family and friends.*

“ So sorry to hear of the passing of Paul. Paul and his family are very special to the Tedford family. Dean and Chris were close to Paul growing up at St Elizabeth Seton Catholic Church and Chris, Julie and Lisa also attended Catholic High with Paul. I remember when Paul and my son Dean got out of the Army and Paul talked Dean into going to Atlanta with him to look for a job. They both found a job at Penny's warehouse and Willie and Sarah was willing to let Dean stay with them until Dean could get on his feet. Love and prayers to the Gutierrez family. Words cannot explain the hurt my heart is feeling now for the family.

“ *The years we had together weren't always easy, but your smile always made me smile. And your laugh.... God, the way you laughed!!*

You could make the worst day feel like it was just another day and you left the Devil wondering if he'd ever win. Our babies wouldn't have had a chance... Except they had you! The coldest day was warmer. The darkest night was brighter. The Choir in Heaven is singing louder than it ever has before. It's not missing the last thing it needed to be perfect anymore. Im positive the sun will shine brighter tomorrow because you shined on everything you touched and Heaven has the laugh that will NEVER STOP. Your gone entirely to soon but the angels must have needed a boost only you could provide. Rest easy Paul. Just know none of us on this Earth were ready to share you. <3
