“ Dear family of Paul May,
My husband Wayne and I are devastated to just now learn of Paul's passing. We can hardly believe what I just happened to read while searching for info on the web site of prattville memory gardens. My mother, Dollie Woodfin who is 92 now, will also be surprised to learn of this when I see her tomorrow. Your family has been close to us since my daddy, Morris Woodfin who died in 1968, began building houses in 1965 and Paul did electrical work for daddy as well as electrical work on our home which we built 37 years ago.

The May family has always been a fine family and I just wanted to extend our heartfelt sympathy to all of you. Wish we would have known and we would have attended his services and paid our respect to the family.

With sympathy and friendship,
Wayne and Joyce Woodfin Gray

“ *Keith, Steve, and Chris,
I am so sorry for your loss and I know how difficult it is losing loved ones. After losing mother in March and putting our family home up for sale, I have done a lot of reflecting about simpler times growing up on Linda Lane. Though I didn't know your father well, what I do remember is that he always smiled and said hello or waved when he passed our house. He, nor your mother, ever prohibited us from trampling through your yard to get to the creek. What I know for certain about your Dad is that Mr. Paul May raised three terrific, kind hearted, and loving sons that I think the world of. May God Bless you and your families through this difficult time.*

Sincerely,

Teresa Ferguson Keil

Linda, we will surely miss seeing Paul in the neighborhood. He was always the perfect example of a "good neighbor." Rest in peace, Paul, in the arms of our Lord.
