“ I just heard today of my cousin's passing. I remembered all the fun we had when we were children. I was staying the night with Peggy when I lost my first tooth. I love you and miss you.

“ Wow where do I begin? I worked with Peggy at the phone company in montgomery and she was such a unique person. Only one Peggy I would say. She would get so wound up and angry over some of the things we had to do but then we would all get to laugh about it and just so it. She was a really sweet person and I feel it was an honor to have known her and I know she truly loved her family and The Lord! My heartfelt sympathy goes out to the family suing this difficult time. God Bless! Beverly bain searcy
