“ My thoughts and prayers are with Perry's family. I enjoyed playing with and against Perry in softball for years. He was a great competitor and a first class gentleman. He will be missed by all but is at home with our Savior and at peace with no pain. It was a priviledge for me to be his friend.

“ Beth and family. What some wonderful memories that we shared as part of the L & L team! Perry was a fierce competitor, yet had a heart filled with true compassion. My Dad passed away on November 18 and Andrew and Paul Judah's Dad died on November 20th. Some of my fondest thoughts in life still come from the times shared at a softball field. I am so glad that I had the opportunity to get to know Perry and his family. You are in my thoughts and prayers.

“ I am blessed, humbled, & honored to have had Perry as my friend. The memories that we made hunting, playing softball, attending ball games, hanging out & solving all of the world's problems will always be cherished. To know that Perry accepted Jesus in his life & now has perfect peace eternally in Heaven is both comforting & inspiring for all of us.

*What I saw in Perry was a busy man who always had time to help out a friend. I am blessed to have known him.*

“ Beth and family.....you will never know how much I loved your husband and your dad. We got to play softball together for a few years and I enjoyed that part of my life as much as any other that I have been fortunate to experience. Perry was a great team mate but a better friend. I enjoyed competing with him and against him. He will always have a special place in my heart.
