“ I work at Flight Safety in Wichita, KS..always working with him while he was training here..I enjoyed following him Facebook after they took away the Simulators that he was trained in. So sorry for your loss..but Heaven has a new Pilot.

“ I will never forget the day I met Phil! It was a Sunday morning when he rode his Harley to Harvest Family Church for the 1st time! We welcomed him with hugs and love. It was so good how he became involved with our singles group, lunch after Sunday Church. That was before he became involved with Canaan Land. Boy has he made an impact up there! I thank God I got to know him & Sherrie.

“ My Son was a student at Canaan Land for a short time but the impact Brother Phil had with him continued long after he left there. On a particular day i was having a hard day and i called Canaan land for support. Brother Phil got on the phone and talked to me for an hour. He told me where he came from and explained where my Son was in his addiction at that time. I remember him talking scriptures to me and told me never to give up! His words kept me going and my Son today helps as co director of a recovery center!! He always remembered words that Brother Phil gave him!!! I can hear right now Jesus saying well done my good and faithful Servant you have been faithful over a few things i will make you ruler over many things. Enter into the joy of the Lord!!! Brother Phil has touched many lives great is his rewards!!!!

We had looked so forward to meeting you in person. So sorry we never got to do that. But we will forever be grateful for the opportunity you gave my son to spend the next year at Canaan Land to change his life forever. Our hearts go out to Bro Phil's family, Canaan Land family, and to all those whom his life touched. May God hold you in His arms of love and give you peace now and in days ahead. Forever grateful. ❤️
