“ *Dear Kathy to you and the rest of your loved ones my heart hurts now too! It also is rejoicing for one she is better off than we are! She no longer suffers for her body is made whole! She's walking with the Lord now on those glorious streets of gold! Watching over you and telling you she's not really gone cause she will forever live in the hearts and souls of those who loved her!*

I sure miss my sweet friend. We had some good times together. We loved eating at the Krystal and talking and laughing a lot. I cherish our time together.
