“ Randall was a great kid growing up. I lived right in front of him in Brundidge and remember so many good times we had together. I was sorry to hear about his passing and would like all of his family to know that they are in our thoughts and prayers. Know in your hearts he is in a better place, our Father in Heaven will definitely be by your sides to give you the strength to get through this difficult time. Watts and Darlene Patterson

“ You are in our thoughts and prayers. Randall was so blessed to have you by his side as a loving and helpful wife. As you go through this grief, I know our Lord will help you remember all the good times and memories you will keep in your heart forever.
