“ Raymond, thank you for always showing me great respect and honor throughout the difficult road I had to follow. Thank you for caring. I will truly miss you and the great laughter we used to have. I pray that Christ's Holy Light surrounds you now in a realm of peace and joy.

Mattie, I give you my great heart felt love and understanding. Please know you are remembered in prayers. In Jesus' Love and Mercy,
linda.

“ To the Gardner Family, Our hearts and our prayers go out to you all. The things I will always remember about Big Ray ("The Governor") Is how he always carried a smile and how much love he had for our Lord. He always brought a smile to my face when ever we ran into each other. He loved music and driving the big rigs. I know he is at a good place and I know we will see each other again someday. Rest in ever lasting Peace broter Ray.

“ Raymond - Good times. Debates. Happy times. Sad times. Family times. Family losses. Family additions. Joys and sorrows. Quiet moments of discussion. All too far in the past and now no longer a choice. My heart breaks for what was, what was missed, and what can no longer ever be. You were an awesome brother-in-law, a wonderful person, and a great friend, Raymond. I know that if I make it to Heaven, I'll see you there with a smile on your face and a twinkle in your eye!

Mattie - I can't even begin to know what you are going through and my heart hurts for you. I pray that God sees you through this.

Linda, Lesha, Frank – I love you all and hope you know that I share in your sorrow. This is just way more than siblings should ever have to face...especially again.

Emma, Bobbie, and Afton – Girls, I pray that God gives you strength. You girls have already gone through so much but you are all very strong and I know that you have some very good people in your families that will be there for you.

Today will be very hard on all and my thoughts and prayers are with you.

“ Raymond, was a good man and I will miss the talk's that we have with each other at the service station on Cobbs Ford Rd. and when we would pass each other on the roadway. Raymond would always give me hope and tell me that I had a good job to do and that I was one of the best. I will miss you my big friend and I know that you are watching now from above. I will say a prayer for you and your family. Thank's for the ride Big Raymond.
