“ Rebecca and I became friends through Facebook and about 10 years ago came out to California to see me. She actually came out again and talked about another visit before she passed. She is a beautiful soul and it grieved me at how much she suffered after she lost her Atteberry. I'm glad she's finally home in heaven and no longer suffering. I will post a video I made of us on a ride at Disneyland on her first visit. After that ride she nicknamed me "Mater". I loved her dearly and wish I didn't so live so far away.
