“ *Becki our baby sis, we love you so very much. Life has taken us down our own paths, we grow in different directions and live our lives, yet the common string of love holds us together, brothers and sisters. We have overcome much in our lives, but you always brought a light that brightened the darkest of days. You have brought a special meaning to Thanksgiving in our lives, it will forever be a celebration of the times we spent together and will be a celebration in our home of the great memories of our times together, good food, the Iron Bowl, (Right?), and just the times we were able to share. You raised a beautiful family and have grand babies that love you so. Becki you are immortal, you will live as love in our hearts, your daughters and grand babies hearts and the hearts of all those you touched throughout your life. We are proud to call you our sister and friend. We are so proud of you Becki, you are forever in our hearts!*

“ *You will be missed my friend, you touched many lives with your bright smile and big heart. I rest in the knowledge of knowing you are with Lord and we will meet again. This world grew dimmer with your passing and heaven got brighter. The River of Life Church lost two amazing member's when we lost you and Will. I love you, Mary Merrell*
