“ I will never forget Gail, she was the first person to welcome me as her Teachers Aide In 1998 when I first was hired. We enjoyed each other’s friendship. I would say we’re buddies and she would say the same to me. I’ll always remember her loving,and funny ways. Love you always, Dana Salter

“ Eric and Louise please know you are in my heart and prayers. I have wonderful memories of cousins growing up. Gail was so precious enjoying her music and love for all of us. We all spend so much time together and we miss that closest in the busy world we live in now. Love y’all !

“ It really was a pleasure to know Gail and to service her at MARC Group home. She always told me that she loved me and she loved the idea that we both are Auburn football fans. When I came to work on Mondays following game day, you would always meet me at the door with a big smile and a huge “War Eagle!” I missed you when you left the group home. Now that you are resting and experiencing no more pain, gives me a reason to believe that you are ok now. Farewell Gail! War Eagle! Brenda J. McCoy
