“ My prayers and condolences go out to Irvina and Linda and the rest of Me Merrihew's family. Three things come to mind when thinking of him, he loved his Square Dancing, he loved his church and most of all he loved his family. "Chief" as many would call him, would always have questions for me about the post office, most I could not answer LOL and he'd want answers. I will miss interactions and the world will miss a good man. Rest well "Chief".

“ My name is Jody Butts. I live in Montgomery, Al and went to Perry Hill UMC with Art for years. Art was a good man that loved the Lord and his church. He often did things for the church out of the goodness of his heart. When I was Children's Ministries director at the church, Art did all he could to help me with anything I needed.

I am going to forever miss Art!
