“ I am so sorry for your loss. Rhonda and I met way back to the early 80's when we worked together then and again in recent years 2013-2018. She gave me an opportunity to further my career. She had a light in her that shined always thru her conversation with you. She had a way making you feel at home when you were with her. I will never forget Rhonda. God bless your family. She was so proud of her children and grandchildren. She spoke often about each of you. I am so blessed to have known her. Prayers and love to you all.
Sincerely Brenda J.
